

## Dose

1. Vegetables: tomato, carrot, cabbage, watermelon, beans, chilli, etc.

- Early stage: just after transplantation or plant recovery: 500-800 times (i.e. 20-30 ml in 15L of water)
- Development and flowering stages: increase flowering and fruit swelling, 300-500 times (i.e. 30-50 ml in 15L of water)

2. Fruits trees: mango, coffee, orange, and papaya: for good leaves and plant growth, strong flowering, 500-800 times (i.e. 20-30 ml in 15L of water)

## Usage

1. Sprayer on the leaves only.
2. Spray throughout the plant growth cycle.
3. To have a harmonized and rapid growth of your crops, spray every 7-10 days.
4. 3-5 sprays depending on the crop growth cycle.
5. Increase the frequency in case of necessity.

## Caution

1. Increase or decrease the dose depending on the nature of the soil.
2. Keep the product in temperatures above 15°C.
3. Shake the bottle before use.
4. Dilute with water first before adding pesticides if needed.
5. It is a non-toxic product, but the user must wear adequate protection equipment.

## Storage

Keep out of the reach of children, away from food, drink and animal feed stuffs in a cool, dry and well-ventilated place in the original container.

# GLEECO BALANCE™

## CLEAR LIQUID AND HIGHLY CONCENTRATED FERTILIZER WITH ORGANIC MATTER

- ✓ Clear liquid with fine materials
- ✓ Organic matters
- ✓ Innovative formulation
- ✓ Better crop absorption and quick improvement
- ✓ All crop stages suitable

**17% - 17% - 17% - TE**

**B Fe Zn Cu Mn Co Mo C**

**GUARANTEE: Nitrogen 17%, Phosphorus 17%, Potassium 17% + TE**

Inorganic Foliar Fertilizer | pH: 7.0-7.5

Nutrient	Contents(w/v)	Nutrient	Contents(w/v)
N	17%	Cu(EDTA)	0.072%
P <sub>2</sub> O <sub>5</sub>	17%	Mn(EDTA)	0.072%
K <sub>2</sub> O	17%	Co(EDTA)	0.003%
B	0.32%	Mo(EDTA)	0.005%
Fe(EDTA)	0.18%	C	5%
Zn(EDTA)	0.12%	OrganicMatter	10%

## Characteristics

1. GLEECO BALANCE™ is a clear liquid formulation from a combination of high quality materials and innovative technology, offering the best absorption and quick improvement in crops.
2. Enriched with 100g/L of organic matter, in addition to its 7 micro-elements, GLEECO BALANCE™ ensures your crops have rapid growth nutrients, and perfectly balanced, also good in the individual ways that different types of NPK balance while correcting all forms of deficiencies and wilting of your crops and most precisely for an abundant quality harvest.
